Subject: Health Advisory

Dear Parents,

Greetings from K.R. Mangalam World School!

We hope this message finds you well. As we continue to prioritize the health and safety of our school community, we would like to remind you of our policy regarding illness during this time.

If your child is experiencing symptoms such as fever, cough or cold, we kindly request that you do not send them to school until they are fully recovered. It is essential to keep our school environment safe and healthy for all students, teachers and staff.

Please remember that if your child is feeling unwell, it is important to prioritize their health and well-being and keep them at home until they are symptom-free. If your child does exhibit any COVID-19 symptoms or has been exposed to someone who has tested positive for COVID-19, we kindly request that you inform the school as soon as possible.

Furthermore, we highly encourage all students to wear masks while in school premises, as it helps reduce the spread of respiratory droplets. We also encourage regular hand sanitizing and hand washing to maintain good hygiene practices.

We appreciate your cooperation and support in helping us maintain a safe and healthy school environment for everyone.

Thank you for your continued partnership.

Warm Regards,

A handwritten signature in blue ink, appearing to read 'Sonia', with a long horizontal line extending to the right.

Sonia Anil Verma
Principal
