Subject: Splash Play Activity (Grades Pre-Nur-V)

Dear Parents,

Greetings from School!

We hope this message finds you well and excited for the upcoming **Splash Play Activity** at our school. As the weather gets warmer, the Splash Play will commence for the students in grades Pre Nur to 5 from Monday, 24th April 2023.

To ensure that everyone has a safe and enjoyable time, we want to remind you of some important protocols and requirement for the Splash Play activity:

1. Life guards will always be available with students.
2. All students are requested to take a shower before entering the pool.
3. All students must have appropriate swimwear, such as swim trunks or swimsuits, and a cover-up for before and after the activity.
4. Bring a labelled towel to dry off after the activity.
5. Water shoes or sandals with a good grip are highly recommended to wear during the activity to prevent slipping on wet surface.
6. Follow all the rules and guidelines provided by the teachers and staff during the splash play activity. Safety is our top priority, so please refrain from engaging in any rough play or running on slippery surfaces.
7. Be mindful of other students and their boundaries during the splash play activity. Always treat others with kindness and respect.
8. Do not enter the pool if you have any communicable diseases like flu, cough, cold etc or an open cut / wound.
9. Do not enter the pool with any bandages.
10. Nails should be short and trimmed, and slippers or shoes will not be allowed while swimming.
11. Safety equipment for splash play is available within school premises.
12. The school reserve the right to restrict entry, or remove any student whose character, appearance, manner or conduct is unacceptable. Under such circumstances, the school authorities reserve the right to cancel water-play classes for such students for the whole academic session.

We enforce a strict **DRESS CODE** to preserve the cleanliness of the water body.

Those who fail to comply with the water body dress – code protocols will be prohibited from using splash play amenities. Please note the essentials / splash play kit for activities duly labelled with child's name and class/section.

Attached is an acknowledgement required from parents in case for refraining their ward from Water Play Activity. Please submit to the Grade teacher by Friday, 21st April 2023. It will be pre-assumed after the mentioned date that the student is medically and physically fit for participating in water activity.

We hope that all students in Grades Pre Nur – 5 will be able to join us for this exciting activity. Let's have a blast and make lasting memories together. If you have any questions or concerns please do not hesitate to contact the Grades teacher of your ward.

Thank you for your cooperation in ensuring a safe and enjoyable Splash play activity.

Best Regards
