Subject: Horse Riding Activity

Dear Parents,

Greetings!

We are excited to inform that our school is offering horse riding as an extracurricular activity for students in grades K-12. This activity provides a unique and engaging opportunity for students to learn about horsemanship, riding techniques and develop important skills such as balance, coordination and responsibility.

To ensure the safety and success of this activity, we want to share with you some important information about the kit and requirements that are need to be met by students who wish to participate in horse riding:

1. Riding Kit: Students will be required to wear appropriate riding attire, which includes: Equestrian helmet. Riding Boots and Riding Breeches (specialized pants designed for horse riding and provide comfort and ease of movement while riding). (Compulsory for girls).
2. Riding Experience: Horse riding is open to students of all skill levels, including beginners. However, students with prior riding experience may have an advantage in terms of their familiarity with horses and riding techniques. All students will receive proper instructions and guidance to ensure their safety and progress in the activity.
3. Code of Conduct: Students will be expected to follow a code of conduct while participating in horse riding, which includes treating the horse with respect, listening to instructions from the instructor and following all safety guidelines and rules.

We understand that horse riding may be a new activity for some students, and we are committed to providing a safe and supportive environment for their learning and growth. If your child is not interested in participating in horse riding, please fill out the attached slip and return it to the respective grade teacher by Friday 21st April 2023. If you have any questions or concern please contact the grade teacher of your ward.

Thank you for your continued support in proving enriching opportunities for our students.

Best Regards,

Sonia Anil Verma
Principal
