Subject: **Fostering Future-Ready Students through Skill Education (Session 2025–26) |
Grades III – VIII**

Dear Parents,

As we begin the academic session 2025–2026, we are excited to strengthen our commitment to providing vocational learning that nurtures an entrepreneurial mindset—preparing students not just to thrive academically, but to lead, innovate, and create in the real world.

At K.R. Mangalam World School, our Skill Education Programme aligns with the National Education Policy (NEP 2020) and CBSE guidelines to ensure students are equipped with practical, future-ready skills. Our students have demonstrated excellence by initiating and managing entrepreneurial ventures, receiving accolades at both the state and national levels—a testament to the transformative power of skill-based learning.

Key Skill Education Initiatives

1. Skill Clubs (Grades III – VIII)

These clubs blend theoretical knowledge with hands-on experiences, encouraging creativity, collaboration, and problem-solving:

Pottery	Clay sculpting and functional design
Gardening	Plant biology and sustainable practices
Digital Citizenship	Safe and responsible online behavior
Block Printing	Fabric design and texture exploration
Embroidery	Personalized and intricate stitching
Travel & Tourism	Planning, research, and cultural exploration
Mass Media & Podcasting	Audio storytelling and media production
Food Production	Culinary skills and sustainable cooking
Photography	Creative and technical visual storytelling

Students are encouraged to **choose one club** that aligns with their passion, promoting both academic growth and life-long skills.

2. Entrepreneurship Skill Journey (2024–25)

Our students have embraced the spirit of entrepreneurship through various platforms:

- **Skill Stalls at PTMs & Winter Carnival** – Hands-on business experience in marketing and customer interaction
- **Annual Day Showcases** – Creative project presentations across skill areas
- **CBSE Recognition** – Honoured with the “Best Skill Engagement Practices” award

3. Weekly & Monthly Skill Development Modules

- **“No Bag Days”** – Immersive, hands-on experiences focused on skill-building
- **5-Hour Skill Sessions** as per the school calendar– Deep dives into selected skills
- **Weekly Classes** – Dedicated 40-minute periods for consistent practice

4. Industry Collaborations

To deepen learning, we’ve partnered with prestigious institutions for internship-based exposure:

- **T-Series** – Courses in classical dance, music, and acting
- **IIAD (Indian Institute of Art & Design)** – Design thinking and applied creativity

Interested parents may reach out to Skill In-charge, Ms. Gitika Joshi, at 9816277995 for further details.

Through these initiatives, we aim to empower our students not only with skills but with an entrepreneurial outlook—encouraging them to take initiative, solve real-world problems, and create meaningful impact.

We thank you for your continued support and look forward to another year of igniting innovation and skill excellence.

Warm regards,

Sonia Anil Verma
Principal
