**Subject: NCC Enrollment for Session 2026–27 (Grades 8 & 9)**

Dear Parents,

The school has been successfully conducting the National Cadet Corps (NCC) program and now opens enrollment for the academic session 2026–27.

We invite applications for 25 seats in the Junior Division (Grades 8 & 9) for the 40 UP Battalion NCC. NCC plays a vital role in youth development by instilling discipline, physical fitness, leadership, and a strong sense of national pride. Through structured training, camps, and activities, students build resilience, teamwork, and character.

Interested students (both boys and girls) will undergo a selection process, including assessment of physical fitness and medical background by NCC officers visiting the school.

Parents are requested to understand the commitment involved and submit their consent through the attached proforma latest by 9th April 2026.

We encourage students to participate in this prestigious program.

Warm regards,

Sonia Anil Verma
