### Subject: Specialised Sports Coaching (Session 2026-27)

Dear Parents,

As we begin the **Academic Session 2026-27**, the school continues to emphasize the balanced development of students in both academics and physical well-being, in alignment with the vision of NEP.

**To support this, the school conducts specialised sports coaching in selected disciplines on two designated days each week. These sessions are in addition to the regular sports periods scheduled for all classes.**

**The initiative reflects the school's commitment to the "Each Child - One Sport" policy, encouraging every student to actively engage in at least one sport for overall growth and well-being.**
