### STUDENT LEADERSHIP CAMP

CLASSES: V-XII

Des Parents and Students,

We are pleased to inform you about the upcoming **Student Leadership Camp**, an enriching and transformative programme designed to nurture and strengthen leadership qualities among students.

Leadership is not just about holding a position-it us about responsibility, influence, and the ability to inspire others. As student leaders, you are expected to communicate effectively not only with fellow student but also with teachers, school leaders, guests, and parents. Your role involves working collaboratively in teams, managing responsibilities, ensuring discipline, making informed decisions, resolving conflicts, and representing the school with pride both within and beyond its premises.

Most importantly, student leaders are the torchbearers of the school's culture. You have the power to shape and reflect the values and ethos of the institution through your actions and conduct.

#### **The INME ACE Student Leader Philosophy**

An ideal student leader is one who embodies the ACE values

- **A-Accept Responsibility** for upholding and strengthening the culture of the school
- **C-Contribute** positively and meaningfully to school life
- **E-Enable** & Empower peers and juniors to grow, thrive, and succeed

A Student leader who demonstrates these qualities creates a lasting impact and builds a legacy that continues to inspire others.

The Leadership Camp is conducted in collaboration with **INME**, an organization which is also associated with the **International Award for Young People (IAYP)**. This globally recognized framework focuses on holistic youth development by encouraging self-discovery, resilience, and leadership through experiential learning. Participation in such programmes complements the IAYP journey by building essential life skills and preparing students to take on greater challenges and responsibilities.
